

## Student Referral Program Application

Ridgewood families can earn tuition discounts through our student referral program. As parents, you made the choice to send your child to a private school. By the spreading the word about how and why you did that, you may interest other parents who are interested in a strong curriculum, small but engaging social settings, and a private education where class sizes are limited to allow for individual learning and the power to excel.

By referring a new family to Ridgewood School, and provided the student passes testing and is enrolled for at least half of the school year or 90 days, you will reap the rewards of referral!

### Additional Criteria

- For each student who passes testing, attends Ridgewood for 90 days or longer, and meets all registration requirements, the referring family will receive \$500 per family (up to \$2000) provided the referring family *and* the new family does not receive more than 25% in financial assistance for tuition.
- New student(s) may register and begin classes at any time during the current year or future school year for Ridgewood referring families to be eligible for maximum benefits.
- Returning students who have been exited for more than one calendar year are considered “new” students.
- To be eligible, this form must be signed by a parent of a *current* Ridgewood student, *and* a parent of the new Ridgewood student.
- The Referral Program incentive is available to all current Ridgewood parents. Teachers, staff and administration are excluded.

*This form must be completed and signed and dated by a parent from each family prior to the first day of attendance.*
